

## **PROGRAM for CROWN LICENSEES to provide financing for Licensees to retrofit their locations to the Crown image.**

Butler Capital welcomes the opportunity to submit proposals and to earn the confidence of Crown Licensees as a top-tier, reliable funding source. To support our request for designation as the “go-to” lender, Butler (BCC) offers the following distinguishing attributes:

- \* **funding purpose** - BCC will fund purchases from any dealer-selected supplier
- \* **funding amount** - financing to 100% of project cost for total re-imaging
- \* **funding source** - BCC is a direct lender (no middlemen, no brokers)
- \* **transaction speed-**  
(disbursement) credit decisions guaranteed within 72 hours; fast funding
- \* **flexibility** - special payment options (deferred, seasonal, skip-payment plans)
- \* **terms** - up to 7 years
- \* **interest rates** - fixed-rate for predictable payments; competitive with SBA-backed bank loans
- \* **responsiveness** - on-site financing experts provide “live person” response; calls returned promptly; frequent communication before, during, and after the loan
- \* **industry expertise** - substantial experience and credentials in petroleum, convenience store, and car wash niches; millions in funding provided in the past decade to station/store owners nationwide
