

## Image Finance program for CROWN LICENSEES

Butler Capital welcomes the opportunity to submit proposals and to earn the confidence of Crown Licensees as a top-tier, reliable funding source to assist Licensees with the financing for image upgrades, programs and equipment. To support our request for designation as the “go-to” lender, Butler (BCC) offers the following distinguishing attributes:

- \* **Financing purpose** - BCC will finance purchases from any dealer-selected supplier
- \* **Financing amount** - Financing to 100% of project cost for total re-imaging [Crown signage, dispensers, food service equipment, uniforms, etc.]
- \* **Funding source** - BCC is a direct lender (no middlemen, no brokers)
- \* **Transaction speed**- Quick credit decisions, most within 72 hours; fast funding (disbursement)
- \* **Flexibility** - Special payment options (deferred, seasonal, skip-payment plans)
- \* **Terms** - Up to 7 years
- \* **Interest rates** - Fixed-rates for predictable payments; competitive with SBA-backed bank loans
- \* **Responsiveness** - On-site financing experts provide “live person” response; calls returned promptly; frequent communication before, during and after the loan
- \* **Industry expertise** - Substantial experience and credentials in petroleum, convenience store, and car wash niches; during the past decade millions in financing provided to station/store owners nationwide

***Member of:***

- Petroleum Equipment Institute (PEI)
- Washington, Maryland, Delaware Service Station and Automotive Repair Association (WMDA)
- International Carwash Association (ICA)
